A Unanimous Vote! —To Raise Their Pay

Measure was adopted 70-0.

Tory Defeat Seen

WINNIPEG, Man. (UPI)—An early defeat of the present Conservative provincial government and a May election were predicted by observers yesterday following an outburst of name-calling between Premier Duff Roblin and CCF Leader Lloyd Stinson.

Stinson challenged Roblin to back the farmers March on Ottawa for deficiency payments. He questioned whether the Conservative government had the "gumption to fight for our own people."

Roblin commented that the Manitoba farmers "will see that our deeds at the forthcoming session are a good deal more effective than Mr. Stinson's words."

With the Manitoba Liberal party already behind the march, the two opposition parties now have a solid area upon which to vote non-confidence in the government's early session which starts March 12.

Dockyard's Fire Unit Best Federal Force

HMC Dockyard fire department at Esquimalt received an award yesterday for the best federal government fire prevention unit. Trophy for non-military units was awarded to Atomic Energy of Canada Ltd., at Chalk River, Ont.

Nine Die In Bus Plunge

TIFTON, Ga. (AP) — A school bus carrying 86 children went off a road into a farm pond yesterday, drowning nine of the occupants.

Five girls and four boys ranging from five to 15 years lost their lives as the terrified children fought to reach windows of the half-submerged bus.

The vehicle, bringing the Negro pupils to an elementary and a high school here, hit a rut in a dirt road and slipped into the pond. It came to rest on its right side.

Two boys on the bus managed to open a window and crawl out. They were joined by two men who saw the accident. The quartet broke windows to pull children out.

Thirty-eight of the children were brought to the Tift County Hospital. All were released after first aid except three who were suffering from shock.

CWAC Officer Sets Inspection
